We spoke with Nancy and she's going to talk with some of the HQ OPA folks to see how they wish to handle these two requests. As soon as I hear something back I'll let you know, assuming you aren't already included in the thread.

Thanks. Gladstone is also pushing back on the media tour to 10/20 or 21 for same reasons. I was working on an email but keep getting interrupted.

Thank you

Nancy Grantham asked for a call with Paula, Rebecca, and me RE: NACO + Media Tour. GKM LT proposed pushing media tour back until the 21<sup>st</sup> and limiting NACO to Gladstone, but we need to discuss with Nancy to make sure this works on her end. We plan to talk shortly RE options.

ALCON, I just talked with Nancy Grantham about Sen Bennett's request for a Mine Ops tour on 10/15. I stressed that a tour of ops at Gladstone only would be much more manageable; logistics taking a group to the mine adit are problematic and much more intrusive on operations. She got it and will pass that on.

There is also a media tour request that week for 5 pm, day still tbd, though OPA was thinking 10/15.

I know you prefer none of these events, but given a choice would it disrupt operations more to do both on one day (at different times) or different days?

Mike
